Elevated House; Low, Low, Price

There's loads of space in this older style 3 bedroom home set amongst fruit trees and bushes on a large 809m² block. There's a huge kitchen area, a large lounge opening onto a verandah overlooking a reserve, three good size bedrooms and a smaller room that would make an ideal study. The area beneath the house is concreted and there is a room that would be ideal for storage or workshop space. A new kitchen, a repaint and some decoration will release the beauty and delight of this home.
