### Hidden Oasis

**Experience something spiritual while enjoying the peace and tranquility of this magnificent house situated in beautiful garden surrounds. During the morning sun filtrates onto the back verandah and warm afternoons can be enjoyed on the shady front veranda. The three-bedroom weatherboard house has large open living and entertaining areas and a feature of the house is the ability to enjoy the gardens through large windows – almost as if you were surrounded by the beauty beyond. Of course, there’s solar panels, breeze-air, air-conditioning, dishwasher, built-in wardrobes, two-way bathroom off the main and all the other good things to let you relax and enjoy the beauty that is here. There’s always a serious side and here there’s a serious three car carport and a serious shed. There’s even a service/inspection pit for servicing vehicles. To keep the water up to the garden and house there’s a two megalitre allowance from the Washpool Water Scheme, two bores and a rainwater tank that is plumbed to the kitchen sink.**
